"REAL FOOD for REAL PEOPLE"

We're proud of our homemade, "scratch-made" food! All our fish is Nova Scotia haddock from the famous George's Bank. Our home-made condiments include garlic mayo, curry mayo, hot sauce, Thai chilli sauce, salsa, guacamole, salad dressings, coleslaw and tartar sauce. At "On The Hook" we use nothing but Canadian cheddar on our burgers. We do NOT serve frozen fries! We use the best quality potatoes for our home fries.

Our fish comes from the Lunenburg Fish Company and our burger buns are made by Weagle's Bakery. We serve only Atlantic beef from Fresh Cuts Market.

We hope you'll enjoy your meal! If you liked it, tell all your friends and tell "The Google." If you didn't like it, please tell us. Check us out on Trip Advisor, Google Reviews and Yelp.

Now, open this menu... it's time to eat!!

FRIES, CHIPS 'ER WHATEVER YOU WANNA CALL 'EM!

Kick-Butt, Hand Cut Fries: We DO NOT, I repeat, we DO NOT serve frozen fries! Try our Garlic Mayo or Curry Mayo... **\$5.00**. Just one size, but it's a bigg'n!

Far Out Fries: Meal size! Fries topped with loose burger (that's loose not moose), grated cheddar, salsa & garlic mayo... **\$12.00**. This one is actually both far out and "groovy, man." Yes, we have Onion Rings ... **\$5.00**.

THINGS THAT SWIM

The dumb ones get caught On The Hook... the smart ones go around them. We serve only the dumb ones. They taste better for some reason.

Fish & Chips: We make the best fish & chips ever? Our recipe is over 100 years old and came from Dublin, Ireland. 1 piece... **\$9.00**, 2 pieces... **\$13.00**. Or, if you're hard-core hungry, try the "Haddock Chunks." (When available as we often run out.) Same price as the 2 pieces... **\$13.00**.

Pan-Fried Haddock & Fries: Dredged in Panko bread crumbs & seasoning, lightly pan-fried and crispy... **\$13.00**. Better than your grandma used to make? You decide... If so, do NOT tell anyone in your family because it will only hurt feelings.

Coconut Shrimp & Fries: 6 jumbo shrimp, butterflied, then dredged in seasoned Panko bread crumbs & shredded coconut. Served with our own Thai chilli sauce and fries... **\$14.00**.

Holy Haddock Burger: Pan-fried haddock, leaf lettuce and our own scratch-made tartar sauce... **\$9.00**, with fries... **\$13.00**. This isn't no Junior League fish burger!

Fish Taco con Salsa Fresca: Pan-fried haddock with leaf lettuce, salsa fresca (that's salsa, for all non-Spanish speaking people) and our house-made guacamole (seasonal when available) wrapped up in a flour tortilla... **\$9.00**, with fries... **\$13.00**.

Fish selections (homemade tartar sauce and coleslaw) available upon request at no charge

CARNIVORE SECTION

All burgers are ½ pound, hand-pattied right here in our kitchen. 100% Maritime beef with no filler. Make any burger a massive "full pounder" by adding a second patty... **\$4.00**. We use Canadian cheddar.

Dude Burger: Lettuce, cheddar, double bacon, tomato, mustard, mayo & dill pickle... **\$9.00**, with fries... **\$13.00**.

Garlic Burger: Our own heavy-duty garlic spread (that we call "Mouth-wash Mayo,") cheddar, double bacon, caramelized onions & lettuce... **\$9.00**, with fries... **\$13.00**.

Dynamite Burger: Our own hot sauce, jalapeño pickles, caramelized onions, double bacon, lettuce & cheddar... **\$9.00**, with fries... **\$13.00**. Don't worry, it's not "wicked hot." Just normal hot.

Flash Burger: Curry mayo, caramelized onions, double bacon, cheddar & lettuce... **\$9.00**, with fries... **\$13.00**. You'll pound this one down in a... wait for it... a **FLASH!** (Oh, come on, that was funny!)

Kenny Burger: A big blob of cheddar & ketchup... **\$9.00**, with fries ... **\$13.00**. That's how Kenny likes his burger. Ketchup, cheese and NOTHING else!

Rooster Burger: Seasoned chicken breast with double bacon, cheddar, lettuce, tomato & garlic mayo... **\$9.00**, with fries... **\$13.00**. Yep, it tastes like chicken... because it actually is chicken.

Veggie Burger: Seasoned veggie patty with lettuce, tomato, onion, cheddar, & curry mayo... **\$9.00**, with fries ... **\$13.00**. Yep, for the veggie lovers only at On The Hook.

FROM THE GREENHOUSE

Caesar Salad: Romaine lettuce with bacon, homemade croutons & our own creamy Caesar dressing... **\$7.00**. Nothing incredibly new, or even original for that matter... just really good!

Garden Salad: Romaine Lettuce, Cucumbers, Onions, Tomatoes, Mushrooms, Our Famous Poppy Seed Dressing! **\$7.00**.
